

# Clean Up

Joel Swanson

Clean up, clean up, e-very-one sings: clean up, clean up, all of my things. I  
Pick up, pick up, e-very-one say: pick up, pick up, toys e-very day. Pick  
Work-ing, work-- ing find the next thing; work-ing, work-ing, serving my King. I

may not want to, but the time has come to put my toys a - way, then I'll be done!  
up this toy, and put it in its place, then grab a - nother toy, and work with grace.  
look a-round and find a - no-ther toy, I put it in its spot, and work for joy!
